New Autism Consultant/Specialist Workshop Part 2

Two Day Workshop: Workshop will focus on: evidence-based practices, positive behavior supports, transition planning, visual supports, and instructional coaching

Presented by: OrPATS Staff

Workshop Details:

The New ASD Consultant/Specialist trainings are offered to provide orientation, information, and resources on topics of interest for new autism consultants and/or specialists. It is also an opportunity to meet with colleagues in the same position throughout the state. The training is available to both regional and district autism consultants.

- Participants do not have to be "new this year", only newer to the role of a consultant or specialist.
- Content will include information on Oregon ASD Self-Assessment and Action Plan, evidence-based practices for students with Autism, positive behavior supports, transition planning, visual supports, and effective consultation methods.
- This training is not intended to supplement or replace the coursework needed to obtain the TSPC Specialization.
- Participants may attend Part 2 even if they did not attend Part 1.

The Oregon Department of Education has made a small amount of funds available to reimburse participating agencies for staff substitute pay or to pay a stipend to staff that are not yet under contract at the time of the workshop. These funds are to provide release time to staff to be involved in ORPATS training (workshops and/or visits to ORPATS Training Sites). This funding **must** be approved ahead of time and is on a first-come, first-served basis. Please click here to download forms and instructions for submitting or visit the OrPATS website at www.orpats.org. *Persons with disabilities or who are in need of additional accommodations or a language interpreter in order to attend should contact Kathi Dehm, 503-297-2864.*

In addition: OrPATS will reimburse school districts for travel expenses for participants needing to travel further than 50 miles from home. Please click here to download the travel reimbursement form.

This workshop is a collaboration between OrPATS, NWRESD, and WESD
